§ 2 For which travel is the insurance applicable?

Insurance cover applies to the respectively insured temporary travel in Germany, Switzerland and throughout the sovereign territory of the member states that fully apply the Schengen acquis (area of validity).

§ 3 When is the premium payable?

§ 4 When does the insurance begin and end?

1. Insurance cover shall be provided insofar as the insurance policy is purchased within one month after the insured person's arrival to the area of validity or within one week after the expiration of an insurance contract with validity from the date of entry. The day of arrival and if so previous insurance cover shall be proved by the insured person.

2. Damage or loss due to war or events similar to war; however, insurance cover does exist if the damage or loss occurs in the first seven days after the beginning of the events. 2. The insured person must furnish proof that no gross negligence was involved.
